

ROLAND DZOAGBE

IT Infrastructure & Support Manager — IT Strategy · Cybersecurity · ITIL Service Delivery

rolanddzoagbe@gmail.com · +33 7 82 88 46 46 · Bondy, Île-de-France, France · linkedin.com/in/r-dz · rdzoagbe.github.io/Portfolio.RDzoagbe

PROFESSIONAL SUMMARY

Senior IT Infrastructure & Support Manager with 10+ years building and running secure, scalable IT environments across multi-site and international organizations — including the Paris 2024 Olympic & Paralympic Games. 7+ years leading N1–N3 support and infrastructure teams, with a proven record of cutting resolution times, hardening security, and turning IT into a dependable business enabler under high pressure. Deep expertise across Microsoft 365, Azure, Entra ID, Intune, Defender and ITIL service governance. Bilingual English/French.

CAREER HIGHLIGHTS

- Cut MTTR by 80% at HBS by restructuring N1–N3 incident & change management for a 600+-user, 24/7 international broadcast operation.
- Led end-to-end IT for the Paris 2024 Olympic & Paralympic Games (250+ users, multi-site) as single point of contact for every department.
- Sustained 99%+ SLA compliance across multi-country support at Dechert (GDPR-regulated); +25% network availability at Artemys.

CORE COMPETENCIES

Infrastructure & Cloud: Microsoft 365, Azure, Entra ID (Governance, PIM, Conditional Access), Intune, Autopilot, SCCM, Windows Server, VMware, Hyper-V

Security & Compliance: Microsoft Defender, MFA, firewall policies, hardening, GDPR, BCP/DRP, audit & access governance

Service Management: ITIL, ITSM (ServiceNow), SLA / KPI / GTR-GTI, incident · problem · change management, dashboards & reporting

Leadership & Delivery: N1–N3 team management, vendor & budget management, crisis management, stakeholder alignment

Identity, Endpoints & Automation: Okta, Google Admin, IAM, endpoint lifecycle (Windows/macOS/Linux), PowerShell, Bash

PROFESSIONAL EXPERIENCE

Host Broadcast Services (HBS) — Infrastructure & Support Manager

Mars 2025 – Déc. 2025

International broadcast · 600+ users · 6-person N1–N3 team (incl. 2 interns) · Mission-critical 24/7 · Boulogne-Billancourt

- Owned site-level IT infrastructure across broadcast sites: continuity, security compliance, executive alignment.
- Restructured N1–N3 support and incident/change management: 80% MTTR reduction and marked SLA improvement.
- Multi-site security: Defender for Endpoint, MFA, Conditional Access, firewall, PIM; PowerShell automation.
- Crisis and critical-incident management; BCP/DRP kept in operational readiness.
- Infrastructure upgrades (network, Windows Server, Autopilot/Intune): 30% faster provisioning; executive reporting.

The iLUKA Collective — IT Manager — Paris 2024

Mars 2024 – Mars 2025

Olympic & Paralympic Games · 250+ users · Multi-site, mission-critical · Fixed-term Olympic Games engagement · Kingston upon Thames, Royaume-Uni

- End-to-end IT for the Paris 2024 Games, single point of contact for every department across sites.
- Designed and ran infrastructure for 250+ users; business-app stack (Eventim ticketing, CRM, access control, reporting).
- GDPR access governance, audit traceability and compliance in mission-critical operations.
- Tracked SLA/GTR-GTI commitments; coordinated vendors; owned IT budget and procurement.

AKUR8 — Corporate IT Lead

Mai 2023 – Oct. 2023

InsurTech SaaS · 50+ international users · High-growth · Transition mission · Paris

- Ran IT operations and business apps in a fast-scaling, GDPR-compliant SaaS.
- IAM administration (Okta, Google Admin): users, groups, rights and SaaS access for 50+ users.
- Budget, purchasing and vendors with cost optimization; escalations and change under ITIL; security standards.

Zenly — IT Manager

Juil. 2022 – Mars 2023

Snap Inc. Group · 180+ international users · Scale-up · Ended by Snap Inc. Paris office closure · Paris

- IT infrastructure and support for 180+ international staff (Windows, macOS, Linux).
- Okta and Google Admin (on/offboarding); JIRA ticketing, Slack collaboration.
- –15% SaaS licensing cost via access audits; servers, WiFi, switches; daily reporting.

Dechert LLP — Technical Support Analyst

Juin 2021 – Août 2022

International law firm (Paris, Luxembourg, Brussels) · GDPR-regulated · Paris

- Multi-country IT support via ServiceNow, 99%+ SLA in a regulated environment.
- Active Directory, Windows Server, Citrix Workspace; mobile fleet (AirWatch, Azure MDM).
- Cisco meeting rooms (Teams, Skype), network troubleshooting (HTTP, DNS, TCP/IP), weekly reporting.

The American University of Paris (AUP) — Desktop Support Technician

Avr. – Mai 2021

~200 users · N1/N2 · Paris

- Installed and configured workstations, software and equipment (telephony, video, network); estate maintenance and mobile fleet (iOS/Android).
- N1/N2 support for 200 users, Active Directory account management, diagnosis and resolution of system and network incidents.

Artemys Paris — IT Technician

Févr. 2018 – Févr. 2021

Clients: DBV Technologies, OPCO Santé · 200+ users · 2 sites · Tier 2/3 · Paris

- N2/N3 support and administration of Microsoft 365, Azure and Google Workspace.
- Windows Server and workstation migrations; Cisco switch configuration — +25% network availability.
- GLPI, Veeam backup, O365/Azure Admin, endpoint inventory; on/offboarding and documentation.

Cabinet Alain Bensoussan — Support Technician (N1/N2)

Févr. 2017 – Mars 2018

~200 users · Paris

- First formal IT role: Active Directory administration, IT estate and mobile-fleet management, equipment deployment.
- User support, technical documentation and deployment procedures.

Healthcare establishments (multi-site) — Healthcare Assistant & Self-Taught IT

Mars 2009 – Fév. 2017

Internal medicine · Surgery · Aftercare & rehabilitation · Île-de-France

- Adaptability, composure under pressure and service orientation — the foundation of my IT operations career.
- Self-taught IT in parallel: OS installs, hardware, custom builds, troubleshooting.
