

ROLAND DZOAGBE

IT Manager · Infrastructure & Cyber Operations · Service Delivery

+33 7 82 88 46 46 | rolanddzoagbe@gmail.com | linkedin.com/in/r-dz | Bondy (93), Île-de-France | Bilingual EN/FR

PROFESSIONAL PROFILE

Senior IT Manager with **10+ years of experience** in IT infrastructure, cybersecurity, and operational leadership, including **7+ years of direct team management** (N1–N3 tiers, up to 8 engineers). Recognized expertise across the **Microsoft 365, Azure, Entra ID** ecosystem (Governance, Conditional Access, PIM), **Intune, Defender**, ITIL service governance, contract management (SLA, KPI, GTR/GTI), and executive reporting. Operational lead for the **Paris 2024 Olympic Games** (600+ users, mission-critical 24/7 environment). Solid command of client relationship management, GDPR/BCP/DRP compliance, and PowerShell/Bash automation. **ITIL 4 Foundation** — certificate obtained, official exam upcoming.

PROFESSIONAL EXPERIENCE

Infrastructure & Support Manager

Apr 2025 – Dec 2025

Host Broadcast Services (HBS) — International Operations

Multi-site international scope · 600+ users · 8 N1–N3 engineers · Mission-critical 24/7 operations

- **ITIL multi-tier management (N1–N3, 8 engineers)** with full restructuring of incident and change management processes: **80% MTTR reduction** and significant improvement in SLA compliance.
- **Enterprise security deployment**: Microsoft Defender for Endpoint, MFA, Conditional Access, firewall policies across multi-site environments. Applied PIM procedures for temporary privilege elevation. Automated recurring tasks via PowerShell.
- **Critical incident coordination and crisis management**: rapid containment, multi-level communication, and resolution tracking. Maintained BCP/DRP procedures in continuous operational readiness.
- **Infrastructure projects**: network modernization, Windows Server upgrades, Autopilot/Intune deployments — **30% faster provisioning**.
- **Designed executive performance dashboards and reporting** to optimize budgets and enable data-driven decision making.
- **Shared IT documentation** (procedures, knowledge base) ensuring operational continuity and team upskilling.

Infrastructure & Delivery Manager — Paris 2024 Olympic Games

Mar 2024 – Mar 2025

The iLUKA Collective — Olympic & Paralympic Games
Paris 2024

Olympic & Paralympic event engagement · 250+ users · Mission-critical multi-site operations

- **Operational leadership across multiple international sites**: contractual commitments tracking (SLA, GTR/GTI), production of performance dashboards and executive reporting for both client and leadership.
- **GDPR access governance**, audit traceability, and security compliance on mission-critical event operations (250+ users).
- **Vendor, supplier, and event platform coordination** (Eventim ticketing): configuration, user training, access control, reporting workflows.
- **IT budget management**, procurement, and executive reporting to leadership.

Group IT Manager

May 2023 – Oct 2023

AKUR8 — International InsurTech SaaS Scale-up

Transition mission · 50+ international users · High-growth SaaS environment

- **Led IT operations** in a GDPR-compliant SaaS environment. IAM administration (Okta, Google Admin) for 50+ international users.
- **IT budget oversight**, procurement, and vendor management with cost optimization.
- **Escalation management** and software upgrade coordination following ITIL change management processes.

IT Manager

Jul 2022 – Mar 2023

- **IT infrastructure and end-user support management** for 180+ international employees across Windows, macOS, and Linux.
- **SaaS and IAM solutions administration** (Okta, Google Admin), resource and cost optimization.
- **15% reduction in SaaS license costs** through access audits. Improvements to documentation, processes, and DRP readiness.

Technical Support Analyst

Jun 2021 – Jul 2022

Dechert LLP — International Law Firm (Paris, Luxembourg, Brussels)

- **Multi-country IT support via ServiceNow** in a GDPR environment, with SLA compliance rate above 99%.
- **Active Directory, Windows Server, and Citrix Workspace administration.**
- **Mobile device fleet management** (AirWatch, Azure MDM) and Cisco meeting room configuration.

IT Technician / IT Supervisor

Feb 2018 – Feb 2021

Artemys Paris — Clients: DBV Technologies, OPCO Santé
200+ users · 2 client sites · Tier 2/3 support

- **N2/N3 support and administration** of Microsoft 365, Azure, and Google Workspace environments.
- **Windows Server and workstation migration projects.** Cisco switch configuration — **25% improvement in network availability.**
- **Onboarding/offboarding process optimization** and IT documentation reinforcement.

N1/N2 Support Technician

Feb 2017 – Jan 2018

Cabinet Alain Bensoussan — Paris

- **Active Directory administration,** IT and mobile device fleet management for 200 users.

Earlier career (2009–2017): Medical sector — transferable skills in communication, problem solving, and operations management under pressure.

KEY ACHIEVEMENTS

-80% MTTR Tier 1–3 team restructuring with SLA-oriented KPIs under the ITIL framework	600+ users 24/7 Zero downtime on mission-critical international sites, operational BCP/DRP	Paris 2024 Delivery End-to-end infrastructure and delivery leadership for the Olympic Games
+30% deployment speed Autopilot/Intune with structured change management	+99% SLA compliance At Dechert (international law firm, regulated environment)	-15% SaaS license costs At Zenly via IAM audits and access rationalization
